

The Social Analysis of Penalty Across Boundaries | Workshop Series

This workshop series aims to bring together a wide range of current work from around the world on aspects of penal politics, policies, practices and institutions.

We hope to continue to expand the scope for comparative analysis of penal questions, and to stimulate cross-regional collaboration and exchange between scholars north and south.

We hope thereby to build a mutually supportive community of researchers despite and because of their strikingly diverse situations.

All Welcome!

**Our first speaker is:
Professor Lisa Miller,
